Saturday of the Third Week in Ordinary Time

*BVM on Saturday*

“Faith is the realization of what is hoped for and evidence of things not seen.” Abraham, our father in faith, does all the following “by faith”: he “obeyed”; “he sojourned”; “he received power to generate, even though he was past the normal age—and Sarah herself was sterile”; “when put to the test, offered up Isaac, ... He reasoned that God was able to raise even from the dead, and he received Isaac back as a symbol.”

“This was the oath he swore to our father Abraham: to set us free from the bonds of our enemies, free to worship him without fear, holy and righteous in his sight all the days of our life.” We say in faith: “Blessed be the Lord the God of Israel; he has come to his people.”

Jesus calms the storms of our lives if we have faith in Him. May we always be filled with great awe, like the disciples, when we experience the saving power of God!

God Love You!
