Fourth Sunday in Ordinary Time

Let us rest this Sunday by listening to the voice of God. Let us open our hearts to the One who gives us joy, peace, and love within our hearts.

Jesus is the meek and humble One, so how is it that He speaks with “authority”? He always submitted Himself to the Father. Jesus brings a loving authority in all He says and does. He protects us from the Evil One and from all unclean spirits. We have no fear because we put our faith and trust in Jesus.

God Love You!
