Saturday after Ash Wednesday

We are all sick because of sin. The Jewish people related physical sickness or disabilities to sin (see John 9:2). Jesus' own words attest to this: "Those who are healthy do not need a physician, but the sick do. I have not come to call the righteous to repentance but sinners." Jesus is the Divine Physician, whose presence and touch brings healing to those who truly seek restoration of the heart. Let us pray today's psalm, "Teach me your way, O Lord, that I may walk in your truth." Jesus is the Way, the Truth and the Life – who has told us that "the truth will set you free" (John 8:32). Our Lenten journey is guided by Isaiah's words, who instructs us to deeds that give glory to God so that "light shall rise for you in the darkness and the gloom shall become for you like midday."

God Love You!
