Wednesday of the First Week of Lent

Jonah, the reluctant prophet. He tried to escape from his mission, accepting even to be thrown into the sea but God prevailed and saved him. He experiences that God can bring even pagans to conversion! The sign of Jonah that Jesus speaks of is the resurrection after three days in the tomb. Jonah was spewed upon the shore after three days and three nights in the belly of the fish. More important, Jonah's preaching is a sign of universal salvation! God came to save everyone through Jesus!

God Love You!
