Thursday of Fourth Week of Lent
Saint Cyril of Jerusalem, Bishop, Doctor of the Church

Moses intercedes for the people and the Lord listened to the cry of His servant. Moses showed care and concern, even if he often found it hard to lead them. Jesus shows care and concern for us, even those who were against Him. Our life's journey is filled with challenges and opportunities. We listen to God's Word and the Word begins to take shape within us, transforming our hearts to become more like Jesus' heart. St Cyril of Jerusalem instructed catechumens in the faith, helping form them through the Word of God. We continue our formation in the same way, whether catechumen or baptized. We can never say we have completed our formation in the faith because we all are called to give witness to love and truth – Jesus, the Way, the Truth and the Life!
St. Cyril of Jerusalem, pray for us!

God Love You!
