Monday within the Octave of Easter

He is Risen!

We celebrate the Octave, eight days that are really one day! For God, time does not exist because God is! Matthew tells of Mary Magdalene and the other Mary meeting Jesus, who says to them, "Do not be afraid. Go tell my brothers to go to Galilee, and there they will see me." We will meet Jesus, too, in the place where we live and work. How beautiful that Jesus desires to be with us in the place where we, too, spend most of our lives. Our home is His home!

Alleluia! Christ is Risen! He is truly Risen! Alleluia! Christ is Risen! He is Risen indeed!

God Love You!
