Second Sunday of Easter (or Sunday of Divine Mercy)

He is Risen!

We are those who are blessed: "Blessed are those who have not seen and have believed." After two thousand years, many have been blessed believing the message passed down from the time of the Apostles until today. Jesus is yesterday, today, and forever. His mercy is forever!

Alleluia! Christ is Risen! He is truly Risen! Alleluia! Christ is Risen! He is Risen indeed! Alleluia!

God Love You!
