Fourth Sunday of Easter

Let us pray for vocations on this “World Day of Prayer for Vocations”. Jesus, the Good Shepherd, is calling others to follow Him for a special service in the Church. We need the Eucharist and that means we need priests. As St. Francis knows from experience, he left us with these words: “It is better to give than to receive.” As Peter was “filled with the Holy Spirit”, may the same Holy Spirit fill the hearts of many to say “yes” to the priesthood and religious life.

God Love You!
