Easter Sunday of the Resurrection of the Lord

He is Risen!

“They both ran” when they heard the news from Mary, who also had run from the tomb to tell Peter and John the news of the empty tomb. John, younger than Peter, outran him but waited for Peter to enter the tomb first. It was only the burial cloths they discovered. John saw and believed! “For they did not yet understand the Scripture that he had to rise from the dead.” We do not understand many things either, and that should console us. However, we believe even after two thousand years, based on these facts recorded for us. Faith is the gift transmitted to us, generation after generation. Jesus changed their lives through mercy! Jesus brings that great love to us, generation after generation. The victory is celebrated again, generation after generation.

Alleluia! Christ is Risen! He is truly Risen! Alleluia! Christ is Risen! He is Risen indeed!

God Love You!
