The Blessed Virgin Mary, Mother of the Church

How appropriate to celebrate Mary as she faithfully stayed near her Son at the foot of the cross and accompanied the disciples in prayer as they awaited the promise of Jesus – the gift of the Holy Spirit! Yesterday, the Church was born. Today, we are reminded by Jesus from the cross that Mary is our Mother, as she is given to John, who represents every disciple of Jesus. Jesus gives us the gift of His Mother to be our Mother too!

Mary, Mother of the Church, pray for us!

God Love You!
