Tuesday of the Eleventh Week in Ordinary Time

The perfection of God the Father is love. God loves everyone. Jesus has shown us that very same love from the Cross. St. Paul puts it another way, but it is all about love: “For you know the gracious act of our Lord Jesus Christ, that for your sake he became poor although he was rich, so that by his poverty you might become rich.” The Incarnation was that Jesus shares our poor, weak flesh but He brings us a share in His divinity to make us truly rich. The Holy Spirit is our greatest treasure! When filled with the Holy Spirit, we cry out with joy, “Praise the Lord, my soul!”

God Love You!
