Feast of Saint Thomas

Thomas, the doubter, believed because he had seen the risen Lord Jesus and touched his wounds. He would travel as far as southern India, where he announced the Gospel and was martyred. Jesus knows us, as he knew Thomas, yet he never gives up on any of us. This experience of Jesus' love is what moves Thomas and the apostles to announce this love to the world. Why did Thomas not believe the others? Jesus' words are a consolation to every believer since the time of the apostles: "Blessed are those who have not seen and have believed."

St. Thomas, pray for us!

God Love You!
